European Academy Berlin (EAB)

Understanding Europe. Shaping Europe

This maxim encapsulates - in a nutshell - the aim of the European Academy Berlin (EAB). Since 1963, the Academy as non-profit and non-party institution has been organising seminars and conferences on European topics, bringing together visitors from Germany and abroad. „Europa“. The Academy is an acknowledged player in European civic education, a competent service provider as well as partner in the fields of international education, seminar and project management, and is a venue for learning, encounter and meeting with its own individual atmosphere.
